Trios (*May Subd Geog*)
 (M300-M386)
 Here are entered collections of compositions for three instruments belonging to various families and in various combinations. Collections of compositions not in a specific form or of a specific type for a single combination of three instruments, and individual works, are entered under this heading followed by a parenthetical qualifier with the names of the instruments or the term "unspecified instrument(s)."
 Compositions not in a specific form or of a specific type for three bowed stringed instruments are entered under String trios; for three wind instruments under Wind trios; for three brass instruments under Brass trios; for three woodwind instruments under Woodwind trios; and for three plucked stringed instruments under Plucked instrument trios.
 Compositions for piano, violin and violoncello are entered under Piano trios.
 Compositions for three percussionists are entered under Percussion ensembles.
 Compositions for three solo voices are entered under Sacred vocal trios or Vocal trios.

(HD2758.5)
 Here are entered works on combinations in restraint of trade in which stock ownership is transferred to trustees, who in turn issue trust certificates and dividends and who attempt to achieve monopolistic control over output, prices, or markets. Works on combinations in which independent business enterprises formally agree among themselves to control or limit output, prices, and/or markets so as to achieve monopolistic power are entered under Cartels.

Variations (*May Subd Geog*)

Here are entered collections of musical variations for various mediums of performance. Individual compositions and collections of compositions in the form of variations for a specific medium of performance are entered under the heading followed by a parenthetical qualifier containing the medium, e.g. Variations (Piano with orchestra).

Vocational education (May Subd Geog)

(LC1041-LC1047)

Here are entered works on vocational instruction within the standard educational system, usually below the baccalaureate degree. Works on the efforts of educational institutions and the community to teach individuals the values of a work-oriented society in preparation for meaningful employment are entered under Career education. Works on the process of training individuals in a particular skill after termination of their formal education are entered under Occupational training. Works on retraining persons with obsolete vocational skills are entered under Occupational retraining. Works on on-the-job training of employees are entered under Employees—Training of.
